Thomas Hariot ... 1900.

No. 86 of 162 copies printed on small paper (33 were printed on large paper) Uniform with his edition of Hariot's Briefe and true report.

The two volumes were to be issued as publications of a projected society, the "Hercules club" whose labors were to clear the field for the future historian, of the errors that infest it; it appears never to have been fully inaugurated. The volumes were therefore simply issued as privately printed books as no one but Mr. Henry Stevens had any hand in their production. cf. "Explanatory" prefixed to the work, signed Henry N. Stevens, literary executor of the late Henry Stevens of Vermont.
